

It was requested of T. S. Bills and K. McClure that they check the streets and see where the repairs were needed.

In regards to the title of the 4 lots, which was discussed in the previous meetings, the Clerk read the letter, which he wrote to the County Clerk and Recorder, and it was decided that this matter be tabled until the next meeting due to the fact the County Commissioners meet only once a month on the 1st Monday of each month.

The following bills were presented before the Board for approval:

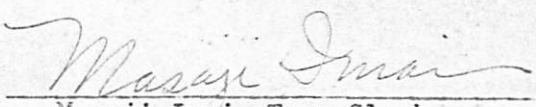

- 1. Utah Power and Light for \$45.35
- 2. K. McClure for \$17.00 for purchase of 10 gallons of oil and 2 boxes of shells.

It was moved by T.S. Bills and seconded by A. Pappas that above bills be paid. Carried.

Clerk was instructed to locate the Town Ordinances.

Concerning the discrepancy of \$51.94 that auditor, Mr. Rasband instructed the former Treasurer, John Harmon, to replace, the clerk stated that due to his error he neglected to deduct \$12.00 that was on hand; and therefore Harmon only owes the Town of Soldier Summit the amount of \$39.94. This was contested by E. C. Maddox, who believed that he saw the \$12.00 listed as cash on hand in the Audit Report. This matter also was tabled until the Audit Report is rechecked.

The clerk read the application and the affidavit. Mr. Duane Frandsen arrived at the meeting. W. D. Martin called the attention to the statement in the application that Guy Winslow has never violated any state liquor laws and W. D. Martin emphatically contested this by saying that Mr. Winslow sold liquor without a license and he was able to prove it.

J. H. Maddox moved that application by Mr. Winslow be tabled indefinitely. Seconded by Scott Bills. Carried.

Mr. Duane Frandsen of Price, an attorney representing Ken Effle, stated that ordinance limiting the issuance of beer license was not properly passed, due to the fact ordinance can't be passed to restrict competition. He suggested "live and let live" and stated the difficulty of operating a cafe without a beer license. He stated that there is a violation in beer parlors all the time if it was necessary to be technical.

W. D. Martin stated that he was not afraid of competition and ordinance was not passed for that purpose.

Mrs. Ora Mae Hopper stated that she requested the Town Marshal to ask the customers if they were selling beer, which he ignored saying that he was not looking for trouble. Mrs. Hopper also stated that Mr. Winslow instructed her and Bunny (another waitress) not to sell beer.

Mr. Winslow took the floor and stated that he had asked his customers not to bring beer into the cafe, but they kept bringing them in. He said that he presented this problem to the Marshal, who told him that if someone brought in the beer it was none of his business. Mr. Winslow also denied the charges that he sold beer.

Mr. Devoe, an attorney, representing Mr. Winslow, told the Board that Mr. Ken Effle guaranteed Mr. Winslow a beer license, and he is bound to get a beer license or the lease is void. He stated that Winslow is not trying to pull a fast one or is he trying to threaten. Mr. Devoe said he honestly believed that there is a room for another beer license.

W. D. Martin said he told Winslow to run his business cleanly for a month or so and the Board might reconsider. Mr. Devoe questioned as to running the business cleanly. J. H. Maddox said Mr. Winslow's beer sign was lit up and was selling beer without a license.

party can prove it. Winslow again denied selling beer and said his beer sign was connected with the cafe sign. W. D. Martin said beer sign could be disconnected without much trouble.

Mr. Devoe told the Board that Guy Winslow is a good man and the best liked cafe owner in Springville and also told the Board if Mr. Winslow has made mistakes, he (Winslow) is sorry, and if the Board is suspicious, know him and he feels that the Board will grant a beer license.

Mr. Frandsen told the Board that he didn't try to railroad anything but tried to talk this thing out. However, Effle will try to get a license. The Town had 4 beer license and got along. Mr. Frandsen said he advised Mr. Winslow not to sell beer until he had a license, but it is a problem as to the interpretation of selling. He read an ordinance pertaining to selling.

W. D. Martin again warned Mr. Winslow of the beer sign and selling of beer and to run the business right, and if he ever catches him he will take away all the licenses.

E. C. Maddox asked Mr. Winslow if he had ever said that he talked to the three Trustees, Andrew Pappas, Scott Bills, and E. C. Maddox, who all agreed that they would vote to get him a beer license. Mr. Winslow denied of having ever saying such a thing.

Mr. Devoe requested that would the Board consider setting a time, so that Mr. Winslow can know for certain.

It was decided that vote may be taken at the next meeting.

Mr. Frandsen, Mr. Devoe, Mr. Winslow and Mrs. Hopper departed at this point.

Mr. Alan Hodgson, attorney representing Dr. A. L. Curtis of Payson, who is interested in running the old canal through Soldier Summit, stated that Dr. Curtis proposes to work with Price to use the canal and tried to persuade the Board to agree to the agreement, which he read before the Board.

J. H. Maddox suggested that we consult our attorney before taking any action.

Dr. Curtis said he would try to keep away from the business homes. Dr. Curtis and Mr. Hodgson departed.

J. H. Maddox moved that Tax Levies for 1950 be 4 mills for General Purposes, 4 mills for water, and 4 mills for Sinking Fund; which Andrew Pappas seconded. Motion carried.

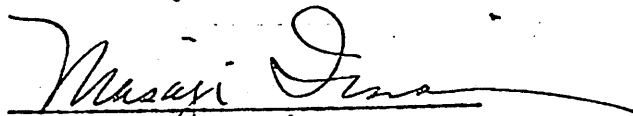

W. D. Martin instructed the clerk that check be made to the Carbon County Treasurer in the amount of \$10.00 as the weed control contribution. This was passed and approved in our previous meeting.

The Clerk presented the bills and J. H. Maddox moved, T. S. Bills seconded that they be paid. Motion carried.

J. H. Maddox moved that speed limit through the town be changed from 25 to 30 miles an hour. Seconded by T. S. Bills. Carried. Clerk was instructed to draw up the ordinance to that effect.

W. D. Martin told the Board that they were invited to attend the celebration in Heber and that a float representing Soldier Summit will be presented if any of the Board is able to attend. J. H. Maddox said he would let Sheriff Payne know if there were no one to represent Soldier Summit.

Maddox made a motion that another beer license will not be issued to Guy Winslow, and that the Board instruct the Clerk to refund the \$10.00 to Guy Winslow and let him know that the Board will not change the existing Ordinance

party can prove it. Winslow again denied selling beer and said his beer sign was connected with the cafe sign. W. D. Martin said beer sign could be disconnected without much trouble.

Mr. Devoe told the Board that Guy Winslow is a good man and the best liked cafe owner in Springville and also told the Board if Mr. Winslow has made mistakes, he (Winslow) is sorry, and if the Board is suspicious, know him and he feels that the Board will grant a beer license.

Mr. Frandsen told the Board that he didn't try to railroad anything but tried to talk this thing out. However, Effle will try to get a license. The Town had 4 beer license and got along. E. C. Maddox asked Mr. Winslow if he had ever said that he talked to the three Trustees, Andrew Pappas, Scott Bills, and E. C. Maddox, who all agreed that they would vote to get him a beer license. Mr. Winslow denied of having ever saying such a thing.

Mr. Devoe requested that would the Board consider setting a time, so that Mr. Winslow can know for certain.

It was decided that vote may be taken at the next meeting.

Mr. Frandsen, Mr. Devoe, Mr. Winslow and Mrs. Hopper departed at this point.

Mr. Alan Hodgson, attorney representing Dr. A. L. Curtis of Payson, who is interested in running the old canal through Soldier Summit, stated that Dr. Curtis proposes to work with Price to use the canal and tried to persuade the Board to agree to the agreement, which he read before the Board.

J. H. Maddox suggested that we consult our attorney before taking any action.

Dr. Curtis said he would try to keep away from the business homes. Dr. Curtis and Mr. Hodgson departed.

J. H. Maddox moved that Tax Levies for 1950 be 4 mills for General Purposes, 4 mills for Water, and 4 mills for Sinking Fund; which Andrew Pappas seconded. Motion carried.

W. D. Martin instructed the clerk that check be made to the Carbon County Treasurer in the amount of \$10.00 as the weed control contribution. This was passed and approved in our previous meeting.

The clerk informed the Board that the Deeds to the lots for the proposed playground has been received.

T.S. Bills presented a bill from himself and Ivan Nelson for 6 hours labor for changing the pump. J.H. Maddox moved that Scott Bills should be paid but Ivan Nelson's claim be denied in so far as he is receiving pay as a Water Superintendent, whose work for the past month has been very light. Seconded by E.C. Maddox. Motion carried unanimously.

The application for the position of the Water Superintendent, Marshal, and Clerk were opened.

Application for Water Supt.:
Ivan Nelson and E.C. Maddox
Application for Marshal:
Wesley Walters
Application for Clerk:
Wesley Walters

E.C. Maddox's application requested that, if he is appointed as water Superintendent, he be relieved of seat as a Trustee. It was his desire not to hold two positions at once.

Mr. Walters was the sole applicant for the clerk and was to assist the Board in the best interest of the Town, in case this position could not be filled.

The following actions were taken:

1. Since Wesley Walters' application was the only one for the position of Marshal, he was appointed as Marshal.
2. J.H. Maddox made a motion that clerk's pay be raised to \$25.00 a month and that the position will be opened again for applications. In the meantime, M. Imai will remain in this position until end of April and Wesley Walters will take the position until a successor is found. Seconded by E.C. Maddox. Motion carried.
3. The Board dissuaded E.C. Maddox from resigning the position of Trustee in case of his appointment as water Supt. and had him cross out this portion from his application.

The Board then voted as follow:

For E.C. Maddox	2 Votes
Ivan Nelson	1 Vote
